

NDIS Mental Health Support Worker

Olivia

Olivia is a fun, energetic and encouraging Support Worker who loves a good chat, a laugh and trying new things. She is friendly, compassionate and approachable, and is always open to getting involved in whatever activities participants enjoy. Currently studying Occupational Therapy, Olivia is passionate about supporting people to feel confident and independent while making the most of their time together. She loves exploring nature, spending time at the beach and being around the water, as well as cuddling with her dogs and all animals. An active person herself, Olivia enjoys playing soccer, tennis and netball and loves getting involved in activities that keep her moving and having fun. Olivia wants participants to genuinely enjoy the time they spend with her and hopes her outgoing personality and caring approach can help create meaningful memories, build confidence and make a positive difference to the people she supports.
