Simone

A Collaborative, Down-to-Earth Approach

With a background in government and small business, Simone brings strong negotiation and collaboration skills to her role. Outside of work, she enjoys listening to an eclectic mix of music and walking her two much-loved English Staffies.

Inclusive Support with Heart and Insight

Simone brings warmth and positive energy to her work, drawing on thirty years of professional experience and a personal connection to the NDIS. Having navigated complex health journeys and supported family members with ASD, she understands the importance of individualised support, thoughtful adjustments and genuinely listening to each person. Simone works alongside participants to navigate barriers, build confidence and connect with their community.
